Dear Jesse

Attached is the Region 24, 700 MHz, Regional Planning Committee amended plan. This is in response to the FCC's reallocation of the former reserve narrowband frequencies to the general use category. You will see our changes highlighted in yellow. As you are aware, the filing deadline for the amendment is October 30, 2015.

As a convenience to you, I have attached an example concurrence letter you may use to acknowledge your region's concurrence to Region 24's amended plan. Please look this over and respond back to me as soon as possible.

Thank you for your prompt attention to this matter and please let me know if you have any questions.

Sincerely,

Scott Bigham

Chairman Griggs:

Pursuant to the recent Region 39 request for review and concurrence dated November 30, 2015, Regional Planning Committee 42 (700 MHz) has conducted our review.

Region 42 reviewed the proposed allotment of the formerly designated reserve channel spectrum identified in 47 C.F.R. §90.531(b)(2) pursuant to FCC 14-172.

Region 42 has also reviewed the proposed changes to the Region 39 Plan for the use of 700 MHz and agrees that the proposed updates are administrative in nature and do not have an adverse impact on Region 42.

Accordingly, Regional Planning Committee 42 (700 MHz) concurs with the proposed 700 MHz frequency changes and reserve channel allotments as proposed by Region 39 as represented in the updated Region 39 Plan for 700 MHz.
